ORDER:

Andhra Pradesh State has witnessed an unprecedented welfare momentum during the last three (3) years. The Government is committed to the welfare of the poor, vulnerable and disadvantaged sections of the society and has made commendable progress with 95% of the promises made in the manifesto fulfilled. Providing benefits to all the eligible persons irrespective of their caste, creed, religion and political affiliation on a saturation basis with transparency and social audit turned out to be the hallmark of the entire welfare mechanism, where ‘No one is left behind’.

2. The Village Secretariat and Ward Secretariat System aided by the Volunteer mechanism has truly lifted the spirits of the citizens and reposed confidence in the government as the benefits are now made available at their doorsteps in a transparent, accountable and corruption-free manner.

3. Now that the benefit distribution process has been implemented through Direct Benefit Transfer (DBT) mode, especially with the introduction of the ‘Annual Welfare Calendar’, government on the occasion of completion of three (3) years term, has decided to further enhance the process by taking public feedback on any improvement in the process if needed through personal enquiries of the households by the Hon’ble MLAs in their respective constituencies. The prime objective of launching this programme is to:

- create awareness among the public about the schemes and programmes of the government,
- ensure that the benefits reach the last mile beneficiary covering all the eligible beneficiaries and
- seek feedback /suggestions from the public for process improvement and further improve the service delivery.
